

NEWS FROM MRS.VANDERWALL'S  
3RD GRADE  
OCTOBER 5, 2018

<p><b>Reading:</b> We finished Edward and took the Reading Counts Quiz. I loved watching the reaction as Edward was reunited with his first owner. Next week, we will be studying bats. We'll be using informational books to learn about bats and reviewing some important non-fiction reading strategies.</p>	<p><b>Writing:</b> This week we developed our stories with details that show the reader where the stories is happening. We used our senses to describe things we hear, see, taste, smell, and feel. Next week, we will develop with our emotions and add transitional words.</p>
<p><b>Science:</b> will begin in the spring</p>	<p><b>Social Studies:</b> We are learning the natural and human characteristics of Michigan.</p>
<p><b>Word Study:</b> Next week is mentor sentence week. We will be reviewing subject and predicate and learning commas in a series.</p>	<p><b>Math:</b> We continue to find the answers to multiplication and division by using strategies. These are equal groups, arrays, skip counting, and number bonds. Please practice facts at home! We have learned: 2, 5, 10, 9, 3, and 4.</p>
